

HOW TO PREPARE YOUR STUDENTS FOR IELTS

The Outline of the session

There will be a workshop where we'll cover all the IELTS sections - reading, listening, speaking and writing. We'll also cover how to evaluate speaking and writing, how to count band scores for all the sections of the test, the details we should familiarize our students with.

1 How to improve students' Reading Skills and how to organize your classes with the focus on reading.

- Reading techniques crucial for IELTS, such as gist reading, skimming and scanning;
- Question types and how to deal with them on the exam;
- How to raise student's interest before reading;
- How to pre-teach blocking vocabulary;
- How to exploit texts for future use.

2 How to develop students' Listening Skills and how to organize your class with the focus on listening.

- Listening techniques crucial for IELTS;
- Question types and how to deal with them on the exam;
- How to raise student's interest before listening;
- How to pre-teach blocking vocabulary.

3 Writing Task #1

- Types of tasks (bar chart, pie chart, tables, etc.);
- Outline of the task;
- How to teach important skills for succeeding in writing Task1;
- How to evaluate Writing Task #1.

4 Writing Task #2

- Different essay types;
- Step-by-step guide to perfect essay writing;
- How to evaluate Writing Task #2.

5 Speaking

- How to guide your students through all speaking parts;
- Error correction techniques to help the students ace the test.
